

Faculty

Binghamton University: Watson School of Engineering: Electrical and Computer Engineering Department

Yu Chen

Assistant Professor, Electrical and Computer Engineering

Scott Craver

Associate Professor, Electrical and Computer Engineering

Jessica Fridrich

Professor, Electrical and Computer Engineering

Xiaohua (Edward) Li

Associate Professor, Electrical and Computer Engineering

Vladimir Nikulin

Associate Professor, Electrical and Computer Engineering

Victor Skormin

Distinguished Service Professor of Electrical Engineering

Director, Center for Advanced Information Technologies

Douglas H. Summerville

Associate Professor, Electrical and Computer Engineering

Undergraduate Program Director, Electrical and Computer Engineering

Binghamton University: Watson School of Engineering: Computer Science Department

Kartik Gopalan

Associate Professor, Computer Science

Richard Steflik

Lecturer, Computer Science

Ping Yang

Assistant Professor, Computer Science

Nael Abu-Ghazaleh

Associate Professor, Computer Science

Kanad Ghose

Professor and Chair, Computer Science

Kyoung-Don Kang

Associate Professor, Computer Science

Dmitry Ponomarev

Associate Professor, Computer Science

Lijun Yin

Associate Professor, Computer Science

Binghamton University: School of Management

Rui Huang

Assistant Professor, School of Management

Alex Woloszyn, Jr.

Lecturer, School of Management

Ali Alper Yayla

Assistant Professor, School of Management

**SUNY Institute of Technology: School of Information Systems and Engineering
Technology:
Department of Computer Information Science**

David Climek

Adjunct Faculty, Computer Information Science

Students

Binghamton University: Watson School of Engineering: Electrical and Computer Engineering Department

James Antonakos

PhD Student, Electrical and Computer Engineering Department

Area of Concentration: Computer Security

Advisor: Victor Skormin

Idris Atakli

PhD Student, Electrical and Computer Engineering Department

Area of Concentration: Computer Security

Advisor: Scott Craver

Wednel Cadeau

PhD Student, Electrical and Computer Engineering Department

Area of Concentration: Anti-Jamming Cognitive Radio Networks

Advisor: Scott Craver

Zachary S. Birnbaum

PhD Student, Electrical and Computer Engineering Department

Area of Concentration: Computer Security

Advisor: Victor Skormin

Michael Briscoe

PhD Student, Electrical and Computer Engineering Department

Area of Concentration: To Be Determined

Advisor: Douglas H. Summerville

Hao Chen

PhD Student, Electrical and Computer Engineering Department

Area of Concentration: Computer Security

Advisor: Yu Chen

Tomas Denemark

PhD Student, Electrical and Computer Engineering Department

Area of Concentration: Computer Security

Advisor: Jessica Fridrich

Andrey M. Dolgikh

PhD Student, Electrical and Computer Engineering Department

Area of Concentration: Computer Security

Advisor: Victor Skormin

Alireza Farrokh Baroughi

PhD Student, Electrical and Computer Engineering Department

Area of Concentration: Computer Security

Advisor: Xiaohua Li

Vojtech Holub

PhD Student, Electrical and Computer Engineering Department

Area of Concentration: Computer Security

Advisor: Jessica Fridrich

Enping Li

PhD Student (Graduated), Electrical and Computer Engineering Department
Area of Concentration: Computer Security
Advisor: Scott Craver

Bingwei Liu

PhD Student, Electrical and Computer Engineering Department
Area of Concentration: Computer Security
Advisor: Yu Chen

Shawn Loveric

PhD Student, Electrical and Computer Engineering Department
Area of Concentration: To Be Determined
Advisor: Douglas H. Summerville

Patricia M. Moat

PhD Student, Electrical and Computer Engineering Department
Area of Concentration: Computer Security
Advisor: Victor Skormin

Tomas Nykodym

PhD Student, Electrical and Computer Engineering Department
Area of Concentration: Computer Security
Advisor: Victor Skormin

Kyle Temkin

PhD Student, Electrical and Computer Engineering Department
Area of Concentration: Detection Hardware Trojan Horses
Advisor: Douglas H. Summerville

Jun Yu

PhD Student (Graduated), Electrical and Computer Engineering Department
Area of Concentration: Computer Security
Advisor: Scott Craver

Binghamton University: Watson School of Engineering: Computer Science Department

Umesh Deshpande

PhD Student, Computer Science Department
Advisor: Kartik Gopalan

Xiaoshuang Wang

PhD Student, Computer Science Department
Advisor: Kartik Gopalan

Vikram Munishwar

PhD Student, Computer Science Department
Advisor: Nael-Abu Ghazaleh

Jesse Elwell

PhD Student, Computer Science Department
Advisor: Nael-Abu Ghazaleh co-advised with Dmitry Ponomarev

Ketan Bahulkar

PhD Student, Computer Science Department
Advisor: Nael-Abu Ghazaleh co-advised with Dmitry Ponomarev

Avadh Patel

PhD Student, Computer Science Department

Advisor: Kanad Ghose

Ju-Young Jung

PhD Student, Computer Science Department

Advisor: Kanad Ghose

Can Basaran PhD Student, Computer Science Department

Advisor: Kyoung-Don Kang

Phil Sin

PhD Student, Computer Science Department

Advisor: Kyoung-Don Kang

Jason Loew

PhD Student, Computer Science Department

Advisor: Dmitry Ponomarev

Mehmet Kayaalp

PhD Student, Computer Science Department

Advisor: Dmitry Ponomarev co-advised with Nael Abu-Ghazaleh

Meltem Ozsoy

PhD Student, Computer Science Department

Advisor: Dmitry Ponomarev co-advised with Nael Abu-Ghazaleh

Michael Reale

PhD Student, Computer Science Department

Advisor: Lijun Yin

Lee Seversky

PhD Student, Computer Science Department

Advisor: Lijun Yin

Yi Sun

PhD Student, Computer Science Department

Advisor: Lijun Yin
